

# Oreneile Machitje

## Motion Picture Graduate & VFX Specialist

### Introduction

#### About Me

I am Oreneile Machitje, a Motion Picture graduate with a major in Directing and Visual Effects, trained in both the creative and technical aspects of filmmaking. I work as a multidisciplinary creative across directing, visual storytelling, and post-production, with a strong focus on creating visually engaging and emotionally driven content.

My background has equipped me with a solid understanding of narrative development, shot composition, working with performers, and integrating visual effects into story-driven projects. I am comfortable working in collaborative environments and bring a flexible, detail-oriented, and creative approach to every production.

I am seeking opportunities within the film and creative industries where I can continue to grow, contribute meaningfully, and develop impactful visual work.
